## Smart Infrared Sauna

### ADVANCED HEATING TECHNOLOGY

Tecoloy® medical-grade heaters, using patented technology, deliver comprehensive near-, mid-, and far-infrared therapy for 360-degree body coverage. All heaters, electronics, and controllers are rigorously tested to maintain safe electromagnetic frequency levels for peace of mind.

### RED LIGHT THERAPY

High output, 96-diode LED panel provides customizable 9-color near-infrared chromotherapy for enhanced health advantages.

### ERGONOMIC BENCH

Crafted to deliver a warm, heated seat feel with ergonomic support for relaxed sitting or reclining.

### SMART SAUNA TECHNOLOGY

Seamlessly control your sauna's settings using a professional-grade controller connected via app. Set your sauna to turn on in advance from anywhere. Immerse yourself in relaxation with a built-in, high-performance Bluetooth audio system that pairs effortlessly with your smartphone.

### MODERN ELEGANCE

Sleek mahogany wood exterior and solid construction paired with see-through glass provide comfort and appeal without compromising heat retention.
